

Technical Feedback

How did 2022-2023 Go?

- There were many new changes in both PS and NS this season!
- From a technical perspective...
 - What should we **start** doing more of?
 - What should we look to **stop** doing?
 - What should we **keep** doing? What went well?
- What should BCAS consider for 2023-2024?
 - **NOTE:** We are talking New System Implementation next!
